

My Star

A Token Of My Appreciation

This is to Record the Star designated as "Our Najmh chmapi"

with Magnitude 7.50, type G5,

located at the coordinates: RA 19H 56m 24.65s, and Declination 35° 47m 24.9s,

to be known and named:

Our Najmh chmapi

For the one who has been my safe place You bring light into my life in a way that stays, in a way that never fades.

I named this star after you, because no matter where life takes us I wanted something in this universe always remind me of you.
